Clubhouse reminders: Clubhouse reservations come on a first come basis. Rental is for residents only and must be present. Rental rates will remain the same as they have been in the past. Reserve the room(s) you need. If you reserve only one room, there is no guarantee that the other room will be available. Gratis usage is offered for any event that is open to all Hawthorn residents. Appropriate efforts must be made to contact all residents advising of the function via emails, flyers, etc. All gratis rentals are at the discretion of the Trustees. Building condition is to be returned to pre-rental condition. Cleaning is discussed at time of reservation. If you have any questions on clubhouse usage, please contact a trustee. You may also check availability of the clubhouse by accessing the calendar on the Hawthorn website.

The clubhouse has recently been painted and re-carpeted. When renting the clubhouse, please do not drag chairs across the carpeting. This will help make sure the capret lasts longer and does not get marks from dragging furniture. The trustees / clubhouse coordinators are currently looking for a chair carrier to assist in moving the chairs. Thank you for your cooperation.

Interested in early American History?

Would you like to participate in a group that not only learns about history, but also recreates it? Then perhaps the 3rd Continental Volunteers is for you. Come to our organizing party on Saturday, April 24th from 10 am to 12 noon at the Hawthorne Pavilion.

We are a fife and drum corps that is organizing and we need recruits. Once organized and given enough practice, we will perform at parades and other public events. We are a band that performs songs and wears uniforms of the Revolutionary era. We need fife players, as well as bass and snare drummers. We will also learn more of the history of the American Revolutionary War. The group is open to interested kids eleven and over, teens and adults. For more info call Andrew or Roy Messing at 330-995-4969.

2010 Boat Stickers

All boaters from 2009 will also receive an email with the dates for the boat sticker pick up and required information. Swim Team News

We are still in the process of planning our season. We will be in touch with an email in the next few months with all the information.

The purpose of the Hawthorn Swim team is not intended to serve as "Swim Lessons." Our goal is for them to develop in to capable swimmers and built stamina. The key to swim team is our emphasis on having fun. In the mean time, we recommend all swimmers 10 and under have a few lessons to brush up on your water skills before we start.

Parent Information Meeting for the Swim Team will be held on April 18th at 7pm at the Clubhouse.

Thank You!!

The Hawthorn Homeowners Association would like to give their thanks to John Milner and The Glidden Company for their gracious donation of paint for the clubhouse. If you are contemplating any painting projects this year, please feel free to contact John Milner at john.milner@akzonobel.com for any Glidden paint brochures or color cards.

Thank you Diane Viant and Amy Barto for planning and coordinating the Christmas Party at the Clubhouse.

Reminder to Dog Owners

Please be considerate of your neighbors and clean up after your dog, both on common areas as well as private residences.
