

Welcome to Hawthorn of Aurora

The trustees of the Hawthorn of Aurora Homeowners Association welcome you to our neighborhood. We are glad that you have decided to make Hawthorn of Aurora your home. We hope that you agree that our neighborhood has a lot to offer you and your family.

A neighborhood phone directory is included in this gift basket. You can find contact information for trustees, chairpersons, etc. in the directory or on the Hawthorn of Aurora website, www.hawthornofaurora.com. This hard copy directory is updated and distributed every 2 years. A digital version is also available via our website. The digital version is more up-to-date, in that it includes move-ins and move-outs after the hard copy has been published. It does require a username (hawthorn) and password (resident), to be accessed. After viewing the directory, please send your information to support@hawthornofaurora.com, or submit it via our website (click on the link to Submit Directory Information on left side of page), so our records can be updated with your family's information. Also, the same username and password will allow you access to any meeting minutes from the monthly trustee meetings that are available on the tab on the left, labeled, "Homeowners Association"

In the summertime, the recreation area is a very busy place. The pool is open daily, and we have tennis courts, volleyball court, picnic pavilion, playground and sandbox area for your enjoyment. We do ask residents to wear wristbands, while in the pool area, identifying themselves as Hawthorn residents. Four (4) wristbands are included with this welcome basket. If you need more, please contact the Pool Committee Chairman or another Pool Committee representative.

Along with Aurora Shores, we have exclusive access to Aurora Lake. The lake provides many opportunities for enjoyment, including, power boating, water-skiing, tubing, as well as fishing, sailing, kayaking and other non-motorized watercraft activities. There is a water-ski club for all water-ski enthusiasts. They often conduct "learn to ski" days for residents who do not have access to boats. All watercraft must have a sticker to be operated on the lake. This includes powered boats, pedal boats, kayaks and sailboats. Please access our website, www.hawthornofaurora.com and click on Lake Related Information to get information on how to get sticker(s) for any watercraft. For additional information on the lake, contact one of the Aurora Lake Association's representatives from Hawthorn of Aurora. This information is available via the above mentioned webpage.

We have access to a community clubhouse with two rooms, as well as a picnic pavilion. Both facilities can be reserved for your usage. The clubhouse is available for a nominal fee to all Hawthorn residents, while there is no charge for the pavilion. For more information, check out website, www.hawthornofaurora.com and click on the link regarding Clubhouse and Pavilion reservations and calendar. This will allow you to see dates and availability, as well as submit a request for reservation.

There are also many social clubs to get involved in. We have a "Ladies Night Out" club (aka Recipe Club), Bunco groups and book clubs. We also have groups that get together to play basketball, volleyball and tennis on a regular basis. Hawthorn also has a swim team, available to all neighborhood children, older than 5 years old. To find out more about the swim team or any other club, check out the Hawthorn of Aurora website, www.hawthornofaurora.com and click on the link to "Clubs".

Lastly, Hawthorn of Aurora has a Facebook page. If you are a Facebook user, please "Like" our page, by going to the following link: www.facebook.com/HawthornAurora. We use this page as a community bulletin board to post things of interest to our neighborhood. We also have a Hawthorn email distribution list, which is used to communicate information of importance. It is important that we have an email contact for you, so that we can add you to the distribution list and communicate to you. As noted above, please send your contact information to support@hawthornofaurora.com, or enter it via the website, so we may contact you, when necessary.

Again, welcome to Hawthorn of Aurora. If you have any questions, please contact one of the trustees, or persons noted on our website.
